W. H. S. Loses Second League Game to Westerly-Score 6-1. Windham high school went down in its second league game of the season on Windham field, Saturday afternoon, before Westerly high school, in a game that was heartrending to witness. Westerly's victory was rather a hollow one, as it was not won through any degree of superior play, but more by a combination of mis-haps and errors on the part of a num-

ber of the home team's inexperienced players at critical stages.

The story of the first inning confirms those facts. F. Foley struck out, Martin hit eafely and went to second on Burna error. Chapman reached first on fielder's choice, stole second. home in Litchfield Saturday after a few days' visit with relatives. He was called here by the burial of his sister, Mrs. Ellen Rogers, whose body was brought here from Hartford, Mr. Freeman and his sister were former residents of the town, Mrs. Rogers having been in the millinery business here for a number of years.

After this Westerly was unable to connect with Kelley for a single hit, while Jordan, Kelley, Burns and Morse connected for safe bingles in the second, fourth, fifth and eighth respectively.

PUTNAM.

Victory Over Dayville, 18 to 3-Death Pauline Carpenter-Mother's Observance-Various Items.

Putnam put it all over Dayville on Saturday in the first home game of the season, winning a runaway victory 18 to 3. As an exhibition of their once ls to 3. As an exhibition of their once a year grand slump the visitors out-did themselves, surpassing even their performance at North Grosvenordale just a year to a day before, when the Andems won a 15 to 1 victory. Andems won a 15 to 1 victory.
Starting the game with the handicap of two regular men (Page and
Brooks) out of the game, an avalanche
of hard luck piled up on the Brownies
and stuck with them right through the
game. Their fielding in the early innings was wretched and about all the
possible witches in a half same were possible mishaps in a ball game were charged up against them. Keach started to do the twirling for Day-ville. His benders held no mystifyville. His benders held no mysthy-ing influence over the locals and aft-er three innings Jones was sent in to relieve him. What Jones sent over also looked good to Putnam and they kept on hummering the ball around the lot for hits that swelled the score until it looked like a bowling record. As a final change in the box artists Franklin ordered Smith in the seventh and he finished the game. Neither Keach, Jones nor Smith received anywhere near the support they deserved and runner after runner crossed the plat that should never have reached second. It was simply one of those days when the bad luck demon decided to hand it to Dayville, not only in buches, but in bales. Even the umpire looked bad to the visitors, and when Carley disputed one of White's desired at second when he called a decision at second when he called a Putnam runner safe, a squall burst that resulted in Carley being ordered

that resulted in Carley being ordered out of the game.

That happened in the sixth. From then on Daywille played without spirit and the crowd that filled the bleachers began to leave for home. Putnam played a good steady game and hit like fiends. Bonin was on the firing line up to the last inning, when he retired in favor of Dubois, and pitched a safe steady game.

steady game.
Shaw, at the receiving end of the battery is certainly a big asset in the Putnam lineup and looks like one of the best backstops in the league. Te is in the game every minute. His work with the stick is or that kind work with the stick is of that kind that helps to win games. Marion, Lizotte, Diotte are all showing in good form and together the team looks like the heavier hitting aggregation in the league—and this not altogether on Seturday's showing.

In Pepin, Putnam has a pippin, and his work at the initial sack and with the bat pleased the fans immensely. Putnam looks good this early in the season and they will be better when the weather warms up a bit. President Reeves was a speciator at the game. The score:

CHILD HAD 60 BOILS

And Suffered Annually with a Red Scald-Like Humor on Her Head. TROUBLES CURED BY CUTICURA

"When my little Vivian was about six months old her head broke out in boils. She had about sixty in all and I used Cutioura Soap and Cutioura Ointment which cured her entirely. Sometime later a humor broke out behind her ears and spread up on to her head until it was nearly half covered. The humor looked like a scald, very red with a sticky, clear fluid coming from it. This occurred every spring. I always used Cuticura Soap and Ointment which never failed to heal it up. The last time it broke out it became so bad that I was discouraged. But I continued the use of Cuticura Soap, Ointment and Resolvent until she was well and has never been troubled in the last two years. Mrs. M. A.
